Hear from our customers

"Hotelogix has contributed enormously to supporting real-time data flow and seamless connectivity for the Kokotel chain of Hotels."

Mr. Rei, CEO, Kokotel Hotels, Thailand

"We have been successfully using Hotelogix Cloud PMS since 2011 and cannot imagine operating Azalea without it. The promise of the product has been delivered without compromise."

Elisa Escobar, General Manager, Azalea Hotels and Residences Boracay, Philippines

"We were looking for a multi-property solution on the cloud that could simplify our operations, give us centralized control, and also seamlessly connect with OTAs to grow our business. Thanks to cloud PMS that Hotelogix provides, we are now always informed about the room occupancy scenario, no matter where we are."
